I understand that I am only entitled to the services offered for the month that has been paid, and that each payment ensures the next month's services. I understand that to receive 4 quarterly evaluations I will pay for 12 months of consulting services. To receive any quarterly evaluations for my student, I understand that my account must remain in good standing and I must submit regular reporting of my student(s).

I shall make payment for consulting services by the 20th of each month prior to the month of service or I will be subject to a \$20 late fee per student. I shall make payments to Moore Foundation and I understand all payments are *non-refundable*. If payment, including any late fees, have not been paid by the 1st business day of the month, then I understand my educational consulting services may be interrupted.

I realize that to receive unlimited consulting services I will contact the consultant as needed. I understand that I must contact the office for all communication, payments, and updates for my account. I understand communication with a consultant does not constitute communicating with the office.

I have read and understand the information regarding the Moore philosophy and educational methods. I have read and will refer to MooreFoundation.com should I need more information about Dr. Raymond and Dorothy Moore's writings. I acknowledge that the success of my homeschooling experience is dependent upon my efforts and commitment to it. I acknowledge that as the parent or guardian of my student(s), I understand that I am responsible to act as the teacher. I understand Moore Foundation is not a correspondence school and thus provides only a curriculum guide rather than daily lesson plans.

I understand that enrollment in Moore Foundation's educational consulting services is a privilege, not a right, and is dependent on my participation, communication, and meeting my financial obligations. I agree to these terms and conditions by signing below.
